June 2018

The Holy Cross Parish Jubilee Coordinating Committee, and the Grandparents' Day Celebration (September 9th) sub-committee, wish to inform your staff and students of a very special event, we are preparing for early September 2018.

“Mark your calendar!” International Grandparents 'Day is always celebrated the Sunday following Labour Day. On Sept. 9th, for our Jubilee Year, we will have a special program at the 9:30 am mass, to honour all Holy Cross' Grandparents.

In preparation for this event, we are also inviting Grandparents (and/or parents) to take pictures of their grandchildren (during the Summer months), which will be posted on our Holy Cross Grandparents' Blessings Jubilee Tree of Life.

The permission slips will be next to the Treasure Chest, situated in the Narthex (Walkley Street entrance) and, on the reverse, will be the process to be followed.

Pictures and signed permission forms must be turned in by August 25th 2018. One of our committee ladies has been assigned to collect them, regularly, and she will prepare them for display on the Grandparents' Blessings Jubilee Tree of Life, from Sept. 2nd to 9th 2018, at Holy Cross Church, 685 Walkley Road, Ottawa, Ontario.

Have a great Summer, and plan to attend our 9:30 am mass, on September 9th, along with your grandparents, to celebrate and honour their presence in our lives and our parish community: they will also receive a Special Blessing, on that day!

God Bless each of you, and your Summer vacations!
